THAT'S NOT TRUE... NONE OF IT.

YOU'VE GOT TO LISTEN TO ME--

NO-- STOP. I DON'T CARE!

EVE, PLEASE.

I REFUSED TO BELIEVE YOU WERE DEAD AT FIRST. AS THE DAYS WENT ON... AS THEY BECAME WEEKS... I STARTED TO ACCEPT WHAT HAD HAPPENED.

THE THOUGHT OF LIVING WITHOUT YOU... RAISING THIS CHILD ON MY OWN... HOW THE LIFE I THOUGHT I HAD... HAD BEEN **STOLEN** FROM ME...

IT WAS TOO MUCH, I DIDN'T KNOW HOW I COULD GO ON... HOW I COULD RAISE THIS BABY ALONE.

BUT THEN I REALIZED... RAISING THIS CHILD WITHOUT YOU... **THAT'S THE ONLY SANE OPTION.**

EVE... YOU'RE NOT WEARING YOUR RING.

NO, MARK. I'M NOT.

I THINK ABOUT WHAT I WENT THROUGH... AND I REALIZE... I CAN'T HAVE OUR CHILD LIVING THROUGH THAT.

HOW DO I TELL THEM DADDY ISN'T COMING HOME-- THAT I DON'T KNOW WHEN... OR IF YOU'RE EVER COMING BACK?

I'LL BE DAMNED IF I'M GOING TO LIVE THAT LIFE... I WOULDN'T WISH THIS ON ANYONE.

YOU'RE RIGHT... ABOUT EVERYTHING. YOU WERE RIGHT ABOUT ANGSTROM, TOO... I NEVER SHOULD HAVE GONE AFTER HIM. AND I KNOW IT'S NOT ENOUGH, BUT I'M SORRY. YOU HAVE TO BELIEVE THAT.

I WANT TO MAKE THINGS RIGHT, BUT I CAN'T RIGHT NOW. THERE'S TOO MUCH HAPPENING.

I NEED YOU TO COME WITH ME AND--

ARE YOU EVEN LISTENING TO ME?

I KNOW YOU'RE ANGRY, BUT...

I'M NOT ANGRY. I'M NOT EVEN RAISING MY VOICE. I'M JUST TELLING YOU HOW THINGS ARE NOW. WELCOME HOME, MARK. I'M GLAD YOU'RE ALIVE, BUT...

I DON'T EVER WANT TO SEE YOU AGAIN.

WE'RE THROUGH.

WHAT?!

I KNOW YOU'LL WANT TO BE A PART OF YOUR CHILD'S LIFE... BUT I JUST DON'T THINK THAT WOULD BE A GOOD THING... CONSIDERING HOW **UNRELIABLE** YOU ARE.

WE'LL OBVIOUSLY HAVE TO TALK ABOUT THIS MORE.

I KNOW THIS IS YOUR HOUSE. I'M GOING TO MOVE. I JUST DIDN'T WANT TO LIVE WITH MY PARENTS WHILE I WAS FIGURING ALL THIS OUT. IF YOU COULD LET ME STAY HERE FOR A FEW WEEKS WHILE I GET THINGS IN ORDER, I WOULD APPRECIATE IT.

PLEASE DON'T DO THIS. NOT RIGHT NOW. THERE'S SO MUCH GOING ON THAT YOU DON'T KNOW ABOUT. WE NEED TO **LEAVE** HERE... TOGETHER. YOU COULD BE IN DANGER.

SO MANY PEOPLE COULD BE IN DANGER.

I JUST... I CAN'T DO THIS RIGHT NOW.

YOU CAN'T--?! HOW **STUPID** OF ME... OF COURSE YOU DON'T HAVE TIME FOR ME TO BREAK UP WITH YOU!

PLEASE... **JUST GO.**

EVE, YOU DON'T UNDERSTAND...

JUST GO!

I CAN'T BE AROUND YOU!

GET OUT OF HERE!

...

I'LL GO, BUT YOU CAN'T STAY HERE. GO SOMEPLACE NEW, WHERE ROBOT WOULDN'T KNOW WHERE TO FIND YOU. HE CAN'T BE TRUSTED.

WHEN I GET A CHANCE TO EXPLAIN... I CAN FIX THIS. I CAN MAKE THINGS RIGHT BETWEEN US... AND I **WILL.**

I **PROMISE.**

I LOVE-- I LOVE YOU, EVE.

WHERE
HAVE YOU
BEEN?

NONE OF YOUR--

I DON'T HAVE TIME FOR THIS. YOU KNOW OUR MISSION HERE. WE ARE TO PROCREATE, MAKE MORE VILTRUMITE HALF-BREEDS SO THEY CAN ADD TO OUR RANKS AND PREVENT OUR EXTINCTION.

THE MALES OF OUR RACE ARE PERFORMING ADMIRABLY. MANY CHILDREN HAVE BEEN CREATED ALREADY.

I AM NOT FULFILLING MY DUTY.

I'M SORRY TO HEAR THAT, BUT--

STOP.

I REFUSE TO MATE WITH THE CREATURES THAT RESIDE ON THIS PLANET.

YOU ARE YOUNG AND YOU ARE WEAK... BUT YOU HAVE VILTRUMITE BLOOD PUMPING THROUGH YOUR VEINS.

SO YOU'LL DO.

FLATTERED, BUT NO... I'M TAKEN. REALLY. I'M NOT INTERESTED.

AND I'VE GOT SOMEWHERE ELSE I REALLY NEED TO BE.

SO-- BYE!

I SAID--

KRAG OOM!

AND
BESIDES...

IT DOESN'T FEEL
LIKE YOU'RE
SO SURE
YOURSELF.

NO.

NO.

YES.

INVINCIBLE

Most people have been speculating about something bad happening to Eve. But I don't think anyone anticipated something that bad happening to Mark. Ugh... I'm not even comfortable discussing that more here... But as for that bastard Robot, we got plenty of words for him...

Things have certainly taken a turn with this book. Let's not dwell on things and dive right into the letters.

Invincible Crew,

Just finished issue #108 and all I can say is I am surprised after 108 issues...that I am still surprised after 108 issues. No other comic offers as much thrills, twists, guts, and still have such touching human moments.

Keep knocking it out of the park,
Mark C, NJ

Thank you, Mark. Team Invincible couldn't be more excited about working on this book after all this time. That's the difference when you own something. Cory, Ryan and myself own this book, we're not hired hands. This is our world and we'll never get sick of it or run out of ideas. There's tons of cool stuff ahead.

Issue 108. Holy crap. How could you do that to us? That was such a huge reveal and you had me along for the ride.

Now, about the end, I must say I was surprised that you pulled out the F-bomb. Now, I wasn't offended by it or anything, seeing as I read The Walking Dead. I only thought this since Invincible has always been expletive free, and having it show up made a huge impact on me. However, now I realize that was the intended effect. That was a HUGE moment, but I only hope that you don't go overboard in the future with it, or else it just won't feel like Invincible.

I'm really looking forward to this new direction you're taking the comic, and I hope you don't fall behind schedule again.

Keep it up!
Zildjian Meyer

Fall behind schedule? I don't even know what you're talking about. We just put out an issue, and then here's this one, and #111 is close on its heels.

We'll do our best to stay on schedule. That damn Ryan Ottley. It's certainly not ever ME, personally, always causing the lateness. It's Ryan. Any time this book is late, blame him. I swear it's not me, really.

As for the F-Bomb... it was meant to show the severity of that scene and I believe we achieved the desired effect. It's not a new status quo... we may NEVER see that word used in INVINCIBLE again. But again, the freedom to do that... I think that's what makes comics so special. We could have shown Mark's penis in this issue if we wanted to. We'd have to change the rating on the book and it'd cause quite a fuss and maybe piss a lot of people off... but if we felt it was integral to the story... we could have done it. That freedom is amazing, and makes for better comics.

YOSH!

Hey guys! I'm going to hit the obvious stuff first - Invincible 108 was

just as rad as you've no doubt endlessly been hearing. There aren't a lot of comics on the shelves where the creators will say "This next stuff is going to be the best yet" and it's never a lie. So thanks for being consistently bad-ass.

So Robot's made the jump to big bad. I gotta say - that's a great move. Robot has been around for so long I'm stoked he's going to get a star turn for now. Those issues dealing with Robot and Monster Girl with the Flaxans was such a rich story I can't wait to see where all this leads.

Cory drew the most amazing hands in those issues. Man, those were some great hands...

And what about those costume designs? Cory should have gotten a medal for being able to show a THOUSAND YEARS of wardrobe changes. Go back and look at what Amanda/Monster Girl wears in that story. She has like 30 different alien dresses/costumes that Cory just designed on the fly. The guy is a genius. Pick up the slack, Ryan!

The great part though is what Robot represents - a super genius who can think circles around the entire Invincible Universe. I think it's great that a slugger like Mark's greatest enemies are often these super intelligent guys - Angstrom, Dinosaur, and now Robot - arguably the smartest of them all! So yes this evil (or more just arrogant) turn is going to lead to some great stuff.

Translation: Robert, what's it like writing super smart characters? Is that difficult?

Being an idiot... yes, I do find it difficult most days.

But I'm sure everyone is going to be talking about Rex Robot. I'm here to talk about another founding member of the "Teen Team" and the man Robot got his namesake from. The one and only - Rex Splode. I know I know, The OG Rex went and Vegeta-d himself in the most explosive way way back in episode 60, but hey man, he's my favorite so give me this. Robot seemed to really look up to Rex, taking up his name and even his biological makeup. And Rex's sacrifice against the alternate Invincible was done to protect Robot and the others. The guy even had to be pulled away, crying as he watched his hero "splode."

So tell me, will we get a chance to see more of this admiration? Or will I get to see my boy Rex Splode come back in any capacity? I know, he's dead and all, but if there is more than one Invincible there's gotta be more than one Rex! Or at the very least will we ever get another Rex Splode/Atom Eve miniseries? Bring that lovable bastard back!

Love the book,
Colin V from Massachusetts

I won't rule out seeing REX in some form at some point in the future. I considered using him in 109, but just didn't have the room. That said, he's dead... we could clone him, we could bring him over from another dimension, there are any number of ways we could bring that character back into the book... or we could just create something new and move on, and that's what I prefer to do. If Superman had died in 1994 (or whenever it was) and NEVER came back... and the book continued with someone who wasn't KAL-EL... I don't know how successful that would be... but it would have been AMAZING. And we'd always look back at those stories and that character. Corporate comics can't do that... but we can, so that's why, with INVINCIBLE, we strive to do something different, something Marvel and DC can't.

Keep the gore coming guys!! The twist involving Robot in 108 was absolutely uncalled for and I LOVED IT! I can't wait to see how Monster Girl's gonna take all this, I'm positive she'll eventually learn the truth about Robot's execution order on Monax (I think is his name xD).

As bad as Mark took Robot's betrayal, safe to say Monster Girl's going to take it a lot worse...

Another note, **SHOW MORE BATTLE BEAST!!!!** I'm itching to see the hunt begin for Thragg! I wanna see planets tremble at their long awaited battle. Also.. RIP Angstrom Levy, he lost his way :-(he was quite the interesting character, but all good things must come to an end.

We just got in some new Battle Beast art this week, so... we will show it in due time. P.S. It's fantastic.

Does this mean that Robot has now become a new personal enemy to everyone who's cared about Robot? That would be the craziest action to take for someone everyone's known and loved since Issue 2! DO IT DO IT DO IT DO IT! I'm sorry I came off crazy in this letter, just getting overexcited to see these actions happen in the one series that takes risks and doesn't think twice. That's what I love about you guys and this series. This really is the world of Superheroes with a Slice of Life in it. Anything can happen!

Keep those twists and gore coming guys! Don't hold back!

Your #1 Invincible Fan,
Joey "Lobo" Corral

So are you a bigger fan of Invincible or Lobo? The next time you write in you call yourself Joey "Invincible" Corral, or we are quits, dude.

Seconded.

Dear Kirkman and Crew,

First off, thank you for printing my previous letter in issue 102. I am now the envy of all my friend. Anyway, I just wanted to say issue 108 was awesome!!! I have to admit, when I heard rumblings of a 'Bold New Direction' a few weeks ago my first reaction was, "Again?! Didn't we just have a few of those?" But then I read 108, and now I feel the need to apologize to you. I'm sorry I doubted you. I can't wait to see how this all plays out. I will say I was a little sad to see ol' Angstrom go, but at least he was able to redeem himself somewhat before his friggin head got sliced off like a tomato in a Ginsu commercial. And now that Robot has gone full heel turn, he can easily fill the void left by Angstrom.

P.S. Now that it's possible to travel between these two dimensions, what are the chances that Monster Girl runs in to the alternate version of herself and then impregnates said alternate version of herself to create a super-powered Monster Baby that will one day take over the universe?

Keep up the great work.

Dan Olson

I'm unclear as to how the laws of science could make that happen... but I'm sure Mauler could figure out a way to make it work.

First off, "I'm now the envy of all my friend" is hilarious. Bravo. I guess Monster Girl in monster form could have sex with another Monster Girl in human form and ugh... I don't think I'll ever go there. But thanks for that.

Dear Penvincipals,

I just finished issue #108 and was blown away. I'm actually excited about comics again and it feels great. Is this the 1ST ISSUE IN A BOLD NEW DIRECTION for Invincible? I couldn't help but be reminded of Savage Dragon #75 and look forward to Mark's adventures in this new universe.

I obviously can't help but be influenced by Savage Dragon at times due to my immense love of the greatest superhero comic book ever done... but as you can see from this issue... we're NOT spending a lot of time in this new dimension. We're firmly back in OUR dimension.

I always knew it was only a matter of time before Robot turned heel and he did so in excellent fashion. I feel like you've been teasing him as a villain for a long time, since his dealings with the Mauler twins even and now finally his plans are coming full circle.

Anyway great stuff, I loved the Eve Harem, Conquest, and Thragg's rebels sounds like a plot line that needs to be explored. Thanks for an amazing comic as always. You should go bi-weekly with this book instead of that other one you write.

Bi-weekly?! Bi-weekly?!

Hey! Good idea! Sean... make that happen!

Best always,

Jason Wanvig

PS. I've attached a photo of my girlfriend and I from the Minneapolis zombie pub crawl a couple years ago. Her birthday is coming up and as an avid Invincible reader herself she would love it if you printed it. If not I completely understand. At least wish her a happy birthday her name is Bethany.

Happy Birthday, Bethany!

Yeah! HAPPY BIRTHDAY!

Robert,

Honestly? Invincible #108 was masterful. I know, or remember now, that there had been hints about Robot being evil before -but I was still caught completely off guard! That, and I think with beheadings and bludgeonings like in 108 that this should be a Mature Readers (MR) imprint/ series sometime soon. In fact I think it is becoming such in April, so...nevermind.

Yeah, I think it should remain T+ or whatever it currently is... simply because we've always had CRAZY graphic violence and it's never been an issue, but I think retailers prefer to have the rating give a better sense of what's inside the book... so I THINK we're changing it. Don't quote me on that, though.

Tell us more about Outcast, Kirkman! So far we've got a shadow-y face image. Is it to do with superhumans? Is it slice of life?

OUTCAST is an exorcism story... it'll be similar in tone to THE WALKING DEAD, but very different. I'm very excited to finally be doing another horror comic.

Ahh, the angst of Angstrom Levy is finally done, eh...? Or will he live on in head-only form? Deadpool has a zombie Deadpool or something who's head-only! Robot, I guess we didn't really know you at all, huh? Unless...don't tell me--mind-control!?! That would be kind of cheap, really. It always is. But it did save Hal Jordan 10 years ago! Annnnd we're done with the chicken-fried rice.

Cheers,
Andrew J. Shaw

Wait... Sean?! What's the matter with you? Shaw ends an email with "Annnnd we're done with the chicken-fried rice." and you don't even acknowledge it?! I thought it was pretty fun. Don't lose love for Shaw... he's the glue that holds this whole letters column together!

Ehhhhh... Everyone knows shrimp and pork fried rice are far superior anyways.

Next issue, the first in a bold, new, utterly depressing direction... ROBOT VS. THE INVINCIBLE UNIVERSE! Jaws will drop within the first five pages.

-Sean Mackiewicz

It's going to be awesome. RYAN OTTLEY is KILLING it. You guys are going to FREAK OUT! Just wait! Just wait! ONE MONTH!
